The International Network for Small and Medium Enterprises - INSME is a not-for-profit Association aiming at strengthening international cooperation, exchange of know-how, best practice approaches and expertise in innovation and technology transfer among economic players and intermediaries worldwide.

Our Goals

- To create a permanent forum to promote a multilateral dialogue among different stakeholders engaged in making innovation happen in SMEs.
- To be a multiplier and disseminator of information and opportunities for cross border collaboration to enhance SMEs’ competitiveness and innovation potential.
- To act as a network of networks, problem solver and facilitator for its Members.

Leveraging your expertise on a global level

- 25 Sessions of the INSME Academy
- 60+ Participants each session
- 35+ Countries involved each session
- 114 INSME Annual Meetings organized in different continents
- 18,900+ Worldwide connections through the INSME stakeholder database
- 3 International project initiatives running
- 40 Partners involved
- 97 Members from 42 Countries
Technology and Innovation for Inclusive Growth
26th – 28th of May 2015
Cape Town, South Africa
Co-organized by OSIBA Management

Where the journey started

INSME was established under the aegis and with the financial sponsorship of the Italian Government and with the moral patronage of the OECD. Latest annual meetings were held in:

- Investing in Innovation: Building a Sustainable Knowledge-based Economy – Abu Dhabi
- The Governance of Innovation. Building an Innovative Eco-System for SMEs – Izmir
- Sustainable Growth with Innovation: Building Competitive SME Networks - Daejon
- Competitiveness, Culture and Cross-Border Co-operation: Assisting SMEs to Grow, Innovate and Reach International Markets - Helsinki
